Whereas the Rev. J. L. Reynolds has addressed to this body a communication, protesting against the doctrine taught by the Professor of Systematic Theology in the Furman Theological Institution as heterodox, and requesting, if the Professor be sustained in the teaching of such doctrine, that the bond, which he, Mr. Reynolds, has given to the Treasurer of the Convention for the support of Professors, be returned to him; and whereas the Rev. Mr. Reynolds has also requested that the statement of the case between him and the Board and certain Professors in the Institution, which he has sent on to the Convention, shall be entered upon its records: Therefore, *Resolved* 1. That we regard the allegation of heterodoxy against the Professor of Systematic Theology as wholly unfounded; that we sustain him in his office; and therefore do not feel authorized as the repre-

sentatives of the constituents of the Convention and the supporters of the Institution, to return the bond of Mr. Reynolds to him.

Resolved 2. That as the statement of the case between Rev. Mr. Reynolds and the Board, and certain Professors of the Institution, which Mr. Reynolds requests may be entered upon the records of the Convention, contains a repetition of charges against two of the Professors in the Institution, alleging incompetency in the one and heterodoxy in the other, which charges we believe to be altogether without foundation, and which have been already published to the world by Mr. Reynolds, the Convention declines a compliance with his request for placing the statement of the case above mentioned upon the records of the body.

Resolved 3. That the President be requested to forward to Rev. Mr. Reynolds a copy of these resolutions.

34. It was ordered that the Treasurer pay over to the Treasurer of the Board of Trustees any funds for general purposes in his hands.

35. Voted that the thanks of this body are due for the christian hospitality extended to its members during this meeting, and for the use of the hall of the Greenville Lyceum, and of the houses of worship belonging to the Methodist and Presbyterian denominations.

36. The Treasurer was instructed to have as many of the minutes of this meeting published as the funds sent up for that purpose may warrant, and to distribute them among the bodies contributing according to the amounts contributed.

37. *Resolved*, That we recommend to the patronage of our brethren in South-Carolina the Southern Baptist Review, contemplated by the Rev. T. Meredith, of Raleigh, N. C., and that we express a decided preference for a *quarterly* publication.

38. After a brief address, the President offered prayer, and the Convention adjourned.

ABSTRACT

Of the proceedings of the Board of Trustees of the Furman Institution.

At the semi-annual meeting of the Board held June 16, 1848, the President submitted a report of the action of the Committee appointed in December last to secure an Agent or Agents, to collect funds for the Institution, which was accepted.

Resolved, That an Agent be secured if practicable, to engage immediately in the service of the Board: Whereupon the following committee was appointed to nominate a suitable person for that service, viz: Dr. Johnson, Adams, Edwards, and Lide.

The committee on the following day submitted a report, recommending Professor J. C. Furman as a suitable person for said agency; which was unanimously concurred in, and brethren Johnson and H. D. Duncan were appointed a committee to confer with Professor Furman and the other Professors, as also the Church, and the students, to ascertain whether suitable arrangements can be made, and their acquiescence obtained, for the temporary absence of the senior Professor.

A favorable report was submitted, and a vote of thanks was passed by the Board to the several parties consulted for their kind compliance with the wishes of the Board.

Professor Furman was accordingly appointed Agent of the Board for six months, at the salary which he receives as professor.

Brethren Johnson, H. A. Duncan, and Isaac Nichols were instructed to prepare and have published an account of the examination of the students, and any other matters pertaining to the Institution, which they may deem proper.

Resolved, That a committee be appointed to wait on Professor Mims, and request a copy of his Address, delivered this day, for publication; to superintend its publication, and collect funds for printing 1500 copies. Committee, Dr. Johnson, H. A. Duncan, W. Brooker, R. G. Edwards.

Greenville, Dec. 8, 1848.

The Board met; present, Dr. Johnson, Professor Furman, Culpeper, Professor Mims, R. Furman, Rice, Watkins, Hill, Edwards and Lide.

Dr. Johnson was elected President, H. D. Duncan, Vice President, T. P. Lide, Secretary, Professor Mims, Treasurer and Executive Agent.

The Executive Agent submitted a Report, which was accepted, and in accordance with one of its suggestions in reference to the Entzminger land, a committee consisting of J. Culpeper, Professor Mims, Lide and Edwards, was appointed to examine and make such disposition of it as they may judge best.

The Report of the Faculty was read, and a committee appointed to report upon certain suggestions contained in it, viz: Dr. Johnson, Watkins, and Rice. The committee concurred with the Faculty in recommending the following additional rules for the government of the Institution:

1. All absences and failures to recite shall be reported by the Professors,

to be acted upon in Faculty meeting, and shall be registered as 'excused,' or 'not excused.'

2. No excuse shall be accepted, unless the reasons therefor shall be submitted in writing, and approved by the Faculty.

3. The register thus kept, shall be submitted to the Board at the annual commencement, and also at suitable times, to the Churches, societies or individuals under whose patronage the students may be.

The desirableness of a change in the time of vacation so as to throw it at the close of the year, was also suggested, and concurred in. It will therefore hereafter commence on the 15th of October and continue to the first Monday in the succeeding January.

Professor Furman was unanimously re-appointed agent of the Board for the ensuing six months, and the President was requested to devote a portion of his time, if practicable, during the coming year, to the collection of funds for the general purposes of the Institution.

The Treasurer was authorized to pay the extra expenses of the year, incurred by Professor Edwards on account of the distance of his residence from the Institution, as well as any other claims against the Board, when in funds.

The salary of Professor Edwards was fixed at nine hundred dollars.

Authority was given to the Professors to attend the Baptist Triennial Convention at Nashville in May next, provided they can do so consistently with the Interests of the Institution.

The Executive Agent was instructed to take measures for having the Institution Building finished as soon as the necessary funds can be obtained.
